Ethan,

Hope everything is going ok for you. We sure miss hearing from you.

There's not much going on here. We have doctors appointments tomarrow & get five shots. F. sure hate that you get to miss out on your five shot, knowing how well you like them.

Are you finally getting use to Army life? How are your buddies liking Army life?

I took Hadley to youth group again last night, she really likes it. Everyone there wants to know how your doing in the Army.

We are still waiting for the packet from the Army telling us when you graduate & we can see you.

Is there anything you need? Hows the food in basic? We have been keeping an eye on the weather where you are, it doesn't seem too bad.

Well I'll close for now, Mom wants to say a few words. Take care, we love you very much,

Hi sweety, are you eating? How are your bowels I hope fine. We are getting ready to go do laundry & Grocery store. I sure miss you! And Love you so much. Hope you get to use the phone soon so you can call!

Love Mom & Dad
